You & Your Loved Ones Are Invited

Whether you were a patient, a loved one, or a caregiver, you're invited to join us to reconnect with the care team members who supported you through the most critical moments of your life.

We invite you to share your story, recognize your milestones, and celebrate your recovery and life.

Event Highlights

- Welcome remarks and performances by care team members from the Intensive Care and Cardiac Care Units.
- Patient, family, and staff reflections (if you'd prefer to listen rather than speak, that's perfectly fine).
- Time to reconnect and engage with your care teams and others who have gone through similar experiences.
- Light snacks and refreshments.

RSVP Online

If you and your loved ones are interested in attending, please register online at memorialcare.org/CriticalCareReunion or by scanning the QR code. Registration is required.

If you are open to sharing your story during this event, please check "yes" under the "Would You Like to Share Your Story at This Event?" question. After registering, someone from our team will reach out to you with details.

For any event-related questions, please call (562) 519-4343.
